**We Welcome You to
Wall Highway Baptist

**"The Friendly Church
with a Heart for
People"**

Dr. Lee Singley, Pastor

If you have ever watched "Indiana Jones" you know he is always looking for the "Treasure". You have what I believe is a masterpiece in your hands. This Ministry Booklet contains information and tools to guide you on your search for "hidden Treasure".

Please put this "tool" in a place easily accessible to you and the family. There are places you can serve as well as ministries that need to be started as the Lord leads His people.

Please go to our web site which is continually being updated with more information you may specifically need to know.

When Jesus returns to take the church away one day, it is my prayer and desire that He will find me, you and WHBC being faithful to our calling and the Vision He has given us.

*Vision Statement of WHBC:
We specifically believe God has called us to focus on reaching our surrounding areas with the Gospel of Christ. We desire to do this by mobilizing our church's ministries to touch the untouched and build relationships with others by representing Christ well in our Community, our State and our Nation.*

Hope to see and hear from you soon.

Pastor Lee

What's your Passion?

What if you come up with an idea for a mission or ministry that God has impressed upon you and you don't know the steps to take? Here are some simple steps to see if God desires to bless this particular effort:

PRAY: Spend some extended time in prayer over the idea.

RESEARCH: Start your research. Begin talking to some Christian friends and leaders about your idea.

MEET WITH PASTOR: Make an appointment with Pastor and share your idea.

ORGANIZE:

- Write out a purpose statement. Your purpose statement should clearly support the work of the Church and glorify God's Kingdom.
- Pray that God would have similar people in the Church which may be interested in helping. Seek God's direction in organizational leaders.
- Start meeting with those people and develop the organization, resources, budget and how to begin. Ask Pastor for assistance.
- With God's leadership at each step and no barriers becoming evident, begin planning your launch date.

PUBLICIZE: Enlist, publish information and work hard to make a smooth, well thought-out beginning.

EVALUATE: After beginning the ministry or mission, always evaluate each step taken and keep communication open by meeting regularly with leadership. Continue to keep the Church informed of the work.

GIVE THANKS: Give thanks to God for His guidance in this mission or ministry.

Moms In Touch International

Mission Statement

Moms In Touch International impacts children and schools worldwide by gathering mothers to pray. Our goal is to have each private and public school worldwide covered by a group of committed praying moms. For the most part, a group consists of two or more ladies whose children attend the same school although special groups centered on special needs do exist.

Volunteer Needs

Every praying mom is a volunteer--of her time and passion to pray. Each group needs a specified leader to keep the group accountable to headquarters but leading responsibilities are often shared.

Spiritual Gifts

No special gift required. All of us are commanded to pray. This ministry assists ladies to develop the habit of praying out loud by following time-proven guidelines to keep out focus on the Lord and seek His will for the lives of our children and schools.

Time Commitment:

For group members--one hour each week when school is in session
For group leaders--approximately 1/2 to 1 hour prep time in addition to the weekly meeting.

Youth Ministry - Youth Choir

Mission Statement

The youth choir's mission is to "declare the praises of him who called [us] out of darkness into his wonderful light" (1 Pet. 2:9b; NIV*). We want to present ourselves as worship offerings, pure and holy, dedicated to singing his praises and helping others see Jesus.

Volunteer Needs

- Voices; we need lots of voices! 7th through 12th grade. Although reading music helps, it's not a requirement; the most useful things we need are willingness to offer your time and voice and enthusiasm about praising our God.
- Helpers: Any volunteer help would be appreciated. For instance, we could use help in setting up the rehearsal area before rehearsals and cleaning it up afterwards; collecting and being responsible for the music the choir is using; a rehearsal pianist could be useful (otherwise the director fills that role as well); and we could use at least one adult or college & career female to assist with learning parts. Contact Tony for information (see contact info below).

Spiritual Gifts: service, exhortation, hospitality

Time Commitment:

Fall through Spring, regular rehearsals are Sunday afternoons from 5:00 till Church starts; frequently the youth choir will be used during the evening Church service. Additional times of rehearsal or of worship and declaring his praises, possibly including trips to other congregations or places, may be scheduled throughout the season.

Women's Ministry - Aerobics: Fit for Service

Mission Statement

The "Aerobics: Fit for Service" arm of Women's Ministries at Wall Highway offers a fun and challenging opportunity to be in the best shape you can be for a lifetime of healthy, vibrant service to Jesus Christ. Our ability as women to be actively involved in God's kingdom work can be shortened or greatly compromised if our physical bodies are not properly cared for. Some of us have age issues; some weight issues and some health issues, but we can all gain (not weight) from a twice weekly, low-impact, fun workout! The Bible encourages us this way, "...your body is the temple of the Holy Spirit...you are not your own...you were bought at a price; therefore glorify God in your body...I discipline my body and bring it into subjection, lest, when I have preached to others, I myself should become disqualified." (1 Cor. 6:19-20; 9:27 NKJV)
