

Camatin Mission Trip Report and Haiti Ministry Update – March 1, 2017

Please join Jason Stewart on Wednesday evening, March 1st, to hear the trip report from his mission to Camatin, Haiti.

Jason will provide WHBC insightful (and sometimes humorous) details of his recent mission.

Afterward, Mike Dunne will present a general Haiti ministry update so that our church family can hear where God is leading us to serve in this beautiful country.

Ice Cream Social!

Did we mention there will be ice cream?

Immediately following the Haiti trip report and ministry update, ice cream and refreshments will be served in the Basement.

If you would like to help, please feel free to bring a pie or cake to share.
